

Angelus-HGS Pro.Trans. Black / Pro.Trans. Blue with Hard Case

Flame Maple arched top body creates deep and rich sound, which is different from the guitars that are designed to just create the low range sounds. It has shifted to even lower sounds with Pro.Trans.color. Schaller Bridge with fine tuner is mounted to improve the tuning accuracy. What is more, Gotoh H.A.P. is mounted as the machine head for adjustments in string tensions. * This guitar will be with B tuning upon delivery.

Angelus-HGS GM Pro.Black with Hard Case

Maple arched top body creates deep and rich sound, which is different from the guitars that are designed to just create the low range sounds. This has Gotoh H.A.P., the machine head for adjustments in string tensions. This model includes Cosmo Black hardware and Pro.Black color, which creates heavy and strong low range sounds. * This guitar will be with B tuning upon delivery. *GM stands for Gotoh MachineHeads.

OLA FRENNING (SOILWORK)

Angelus22 Vintage Sunburst / Purple Sunburst / Red Sunburst with Hard Case

Caparison Guitars are not for only metal guitars. The body is designed to fit it's neck joint for 22 frets to get sweet sounds from the neck pickup. It has the control, rotary switch mode, which was originally developed for Angelus Model. In addition 2 volume control makes the control range wider.

Vintage Sunburst

Angelus 22 Pickup BH3 is developed by using Alnico3 magnet. This creates cool and gentle sounds. Medium fret is mounted for this model.

BH-3n/BH-3b Pickups

Purple Sunburst

Red Sunburst

4 Way Rotary Switch

*The wide range of sound variation when made in the rotary switch mode 3 Way Lever Switch becomes rotary switch mode when used in the middle position that can also generate a variety of sounds from 4 Way Rotary Switch selection.
